SUBJECT:— Situation in Mysore.

In continuation of my letter of 3rd August 1928, I have the honour to state that the situation continued quet this day. As already reported by an earlier letter, I have prohibited the publication of Tai Nadu till Ist September 1928. There is no support for the paper locally. On the other hand, I have ascertained that the action is welcomed locally in respectable circles.

I spoke to Mr. M. Venkatakrishnaiya this morning about the contents of his paper of 3-8-1928. He regretted it and informed me about the contents of his paper of 4-8-1928 also and agreed to be very careful hereafter. On my seeing the issue of 4-8-1928, I wrote a letter in the day to Mr. Venkatakrishnaiya again about it and I got his reply (vide copies enclosed) promising to see that nothing objectionable appears from today.

I am continuing my watchfulness as there is a subteranean feeling of restlessness owing to persistent rumours of various kinds relating to Bangalore happenings.

As unfavourable rumours of the results of yesterday's meeting

meeting at Bangalore, are circulated here, I have wired to you for an authoritative summary.

It appears that the trial of the three leaders comes off on the 6th August. I request to be kept informed of the happenings on that day though I do not anticipate any trouble hereon that day or on that account; I have to be possessed of full information to promptly deny alarming versions and prevent possible mischief.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Dear Mr. Venkatakrishnaiya,

I regret to note that a highly objectionable article giving a perverted version of the occurrances in Bangalore published in the Evening Mail of Bangalore has been republished in the Mysore Patriot of this date (4-8-28) Two other articles also appear in the same issue concerning occurrances in Bangalore which are likely to create a wrong impression among the public. I request you to kindly refrain from publishing such reports which are likely to create wrong impression among the public at the present moment and prevent the securing peace and goodwill among ~~the~~ His Highness subjects, as promised by you this morning.

Dear Mr. Ramanathan,

I am in receipt of your confidential letter No.A/28-29 dated 4th August 1928, but the telegram said to have been sent has not been received.

The meeting held on the 3rd August was of a purely informal character and it is not proposed to publish a summary of the proceedings. I am, however, to state, for your own information, that about 40 gentlemen belonging to all communities were present at the meeting and all were anxious that steps should be taken to promote harmony and good feeling among the several communities.

The Government are appointing two Committees composed of officials and non-officials. One of these Committees will inquire into the causes of the recent disturbances and propose measures for preventing a recurrence of such incidents. The other Committee will be required to examine the causes of strikes among students and to suggest means of preventing in future acts of indiscipline in Educational Institutions.

The situation in Bangalore is now quite normal.

SUBJECT:— Situation in mysore relating to Bangalore happenings.

Sir,

In continuation of my letter dated 4-8-1928, I have the honour to state that the situation continues quiet. But the reports of the meeting on 3-8-1928 are disquieting. A telegram was received by Mr. Venkatakrishnaiya that Mr. Abbas Khan in an 'one hour speech declared war on Brahmins Officers' and that public indignation prevail -ed. There have been complaints that attempts are being made locally to make the Bangalore incident into a Brahmin and Non-Brahmin affair. I am keeping my watch with the sole object of avoiding any act by any one which may give offence to another party, and of avoiding any disturbance of the peape.

The Editor of Veera Kesari is now in Nanjangud, I learn.

Sir,

I have the honour to state that the general situation continues quiet. The students attended college and schools as usual. I had requested Mr. Rollo not to announce any punishments today as he had intended to do and to wait for a few more days and he has postponed announcing punishments.

The Editor of Tai Nadu had permission to edit and publish another paper "New Life". He has started publishing it after making declaration under the Printing Press Act today. I send a copy. It is being circulated today.

As it bears date 4-8-28 ~~xxxxxx~~ while the declarations were made today, I request advice whether a prosecution under the Printing Press Act is available, and may be launched. As to the situation in Bangalore, the Press Communiques say that all is peaceful there. The Order under section 144 reigns supreme, and the papers Viswakarnataka, Veera Kesari, Prajamitra, Evening Mail and Al Kalam are suppressed. The Dewan is said to have convened a meeting of the prominent citizens, in order to create peace and good will.

In Mysore, the situation has ever been peaceful and satisfactory.

We understand that other Mysore papers have been warned to the effect that they should not publish matters likely to create breach of public peace.

Sir

In continuation of my letter of yesterday, I have the honor to send enclosed copy of City Assistant Superintendent's report of today's happenings and to state as follows

This morning, I discussed the situation with Mr. Rollo and he agreed that he would advise the boys not to hold any meeting during College hours and that he would not take notice of any meeting outside of those hours, provided it was purely a students' meeting. Mr. Sri Narasimhaiya, Dy. Director of Public Instruction also saw me this morning, and he agreed to advise his Head Masters also likewise. I had also told them that so long as no outside elder joined the boys, they will not be interfered with, unless the situation demanded ~~interfer~~ intervention by the Police and that I would keep adequate force at the principal points, and the Police will be ready to act immediately the need arose. The ~~Dist~~ District Superintendent of Police and Assistant Superintendent of Police were on the move watching the developments every moment, and the City Magistrate had also been advised to be on the alert.

The advice of Mr. Rollo was not heeded wholly. There was some attendance at the College, but young boys were put up to create noise in the College and the classes were cancelled after the first period. In the several High Schools, there was better attendance but owing to the noise

and other disturbance created by the outside boys, the school one by one cancelled the classes after the first two periods Most boys went home, but an appreciable number joined their friends. There was some stone throwing and some window-panes were broken at the Maharaja's High School and Banumiah's High School and also at the Wesleyan Mission Boys' High School ~~xxxxxxxxxxxxxx~~ which was the last to be visited.

But by the time the boys of these schools were allowed to go, a batch of the college boys who were against going round to disturb the schools, and some of the boys of the schools which closed earlier met and passed ~~xx~~ resolutions expressing sympathy and requesting an enquiry. The meeting took ~~xxxx~~ only about half an hour from 12-30 to 1 P.M. and was quite orderly and smooth. These boys had dispersed and gone home by the time the Wesleyan Mission High School was closed and therefore the other boys also went home. Not a single elder joined the boys. The situation is quiet now.

I sent for Sahukar Dharmaprakasha Banumiaya today to find out the feelings ~~among~~ among Petta merchants personally. He assured me that he had gone round this very morning with Mr. Mohamed Sait to collect arrears of subscription for the Merchants' Association and that there is no fear in the Petta of any communal ill feeling.

I am, however, closely watching the situation, with the principal object of avoiding any communal ill-feeling consequent on the spread of false ~~xx~~ rumours of Bangalore happenings.

Thanking you for your telegram of yesterday's date I have the honor to be,

Sir,

D.C.No.14 dated 2nd August 1928; from the Assistant Superintendent of Police, Mysore City, to the Deputy Commissioner, Mysore District.

This morning at 11 A.M. about 200 students includ. little boys, created a disturbance to the normal work of the College, thereby obliging the Principal, Professor J.C. Rollo, to close the institution. Then a meeting was held the College Grounds, about 500 students participating, whe resolutions were passed to send messages of sympathy to their injured brothern at Bangalore and to His Highness t Maharaja for an appointment of a Committee to hold an impartial enquiry into the recent disturbances at Bangalore Meanwhile, another batch of students about 150 in number proceeded from school to school (Government High School, Marimallappa's School, Banumiah School, SaradaVilas Patasala Wesleyan Mission High School, Training College and some other Primary Schools) to get the classes closed. Some slight disturbance such as slapping of doors and windows etc was caused in Banumiah's School and Wesleyan Mission Boys' School, when the authorities shewed some hesitation to close these institutions. These students were mostly between 10 and 15 years of age. No sensation was caused and none others except the students participated in the affair. Proper precau tions have been taken and officers and men were moving with the crowd, some in mufti and some in uniform. Extra officers and men were kept in reserve to be ready for emergencies. Sufficient number of men were posted in places where it was found necessary. Further developments, if any, will be duly reported

Dear Mr. Venkatarao,

CB 449
CB 38-28-36

There is nothing to report today. All the students attended the colleges and schools. There is no anxiety now. There has been no agitation over the order relating to Newspapers at Bangalore.

I learn that the Editor of Veera Kesari has come to Mysore. I have issued instructions for watching his movements & whether he is organising any mischief.

There is a mischievous article in the Mysore Patriot. The Bar Assn. is sending to Govt. a Resolution requesting enquiry by a Committee presided over by a Judge of the Chief Court.

Yours Sincerely.

Subject:- Mysore situation relating to Bangalore Happenings.

Sir,-

I have the honor to state that the situation is quiet. The Mysore Patriot and Sampadabhyudaya have published two signed articles in today's issue reporting an assault on a Hindu by some Mohamodans near Mahila Seva Samaj, Bangalore (in Kannada) and alleging that "even responsible officers have their families for places of safety xx xx xx. Some of the high officers do not sleep in their houses but sleep in the houses of friends, without letting anybody know where they sleep". The latter information is ~~xxxxx~~ panickly in nature. It is desirable to ascertain the truth and issue a contradiction, if need be.

Report.

In obedience to the orders of the Inspector General of Police, I left Bangalore by the afternoon train and arrived at Mysore in the evening on 4-8-28. The same night I interviewed the Deputy Commissioner, when the Assistant Superintendent of Police was also present. With a view to give a colour to the object of my visit to Mysore, the Deputy Commissioner has asked me to interest myself about the defalcation case of the Mysore District Treasury relating to stamps, in which I am told, the investigation is complete and according to the Deputy Commissioner a fresh mind may be applied.

The condition here is normal. The Deputy Commissioner with the District and Assistant Superintendents of Police has made arrangements to be on the alert and watch developments. It is learnt that the students wanted to have Ganapathi procession tomorrow at 11 A.M. but they appear to have latterly given up the idea. However this will be watched tomorrow.

With people coming in from Bangalore there is a talk here and there about the meeting of the 3rd instant at Bangalore. At the same time words of appreciation are expressed about the way in which the Police conducted themselves during all these days. There appears to be some slight resentment about sending for the military to use force against School boys.

I am trying to gather information as cautiously as possible.

Sir,

I have the honour to forward herewith for the information of Government copy of a report dated 7th inst. submitted by Mr. B.K. Ramaswamiengar, C.I.D. Inspector, who has been deputed to Mysore to watch the situation there and to state that I have instructed the officer to find out the authors of the mischievous reports.

Confidential report dated 7-8-28 submitted by C.I.D. Inspector Mr.B.K.Ramaswami Iyengar to the Inspector General of Police.

Yesterday I went round all the schools and Colleges and saw them working. At the Wesleyan Mission High School I interviewed the Principal. He said that on the day of students' strike in Mysore, the students of his school behaved admirably and they were not inclined to strike work. But under pressure of the students of other institutions he had to close the school and send the boys out.

The general situation here is quiet. I understand that people here are close watching the action that Government is taking. There does not appear to be satisfaction about the Magisterial enquiry and the juniority of the presiding Magistrate is commented upon here and there. The decision of Govt. to appoint a mixed committee may satisfy the intelligent public.

Here and there, thereare mild comments on two points, viz. (1) That no immediate action was taken though the Inspector General of Police was hurt.

(2) Information appears to have come from Bangalore that Khan Bahadur Abbas Khan dined with the Dewan Saheb on the morrow of the unfortunate occurrence on 30-7-28. This is commented upon though very mildly as meaning that the Dewan Saheb is supporting him. But the responsible persons here appear to be very cautious in giving their views openly.

Confidential D.O.letter No.2/28 dated 7-8-28 from the A.S.P. Mysore City, to the Inspector General of Police in Mysore.

Yesterday Mr.P.R.Ramiah published a paper "New Life". He made a declaration before the City Magistrate yesterday to print, edit and publish this paper in the Sree Rama Press, Mysore. Situation is quiet in the City. I had sent for the leading people in the City, both Hindu and Muslim, such as Dhanakoti Setty and others, and Sir Khaji of Mysore, Messrs Syed Usman, Mahomed Sheriff and some Pesh Imams of Masjids. They promised to advise their people not to creat any trouble. Both the parties have advised their people to submit to Law and Order. The situation is quite normal here and I think the people are watching the proceedings at Bangalore.

I have been moving all over the city and the officers are are also directed to keep a close watch so as to be in touch with the temper of the people. The movements of Messrs T. Ramachandra Rao, Agaram Rangiah and Ramiah are watched. Pro. Rollo the Principal of the Maharaj's College, had stated he would take disciplinary action on Monday against the students of the College for their strike on Tuesday Thursday last, but he has postponed it for some later day.

Special precautions have been taken and men have been posted at tombs and Aswathakattes with a view to prevent the possibility of any untoward happennings.

The appointment of a junior officer as Magistrate to conduct the enquiry is being commented upon by some of the lawyers of the City.

Sir, Mysore situation regarding Bangalore happenings.

I have the honor to state that the situation is quiet. The 'New Life' has again been published today. I enclose a copy. It is sober. The Editor is reported to have said that he would have desisted from publishing objectionable matter if he had been advised and that he will not publish any such matter in 'New Life'.

Mr. Rollo has levied a penalty of deduction of five days' attendance on the boys. This appears to have been taken quietly.

Sir C.P. Ramaswami Iyer was requested by the boys to address them at the University Union. He told them that while they should develop more life and vigour in University matters and a spirit of adventure, they should submit to discipline and not extend their attentions and activities to matters of outer life beyond the bounds of the University.

Letter No.....dated 8th August 1928. from the Principal Maharaja's College, Mysore, to the Registrar, Mysore University, Mysore.

In continuation of my letter No.453 dated the 2nd instant, I have the honor to inform you of the measures which I have taken. Ever since Thursday I have been engaged in the endeavour to make clear to the students who were absent on that day the seriousness of their action and its absolute inconsistency with membership of a college. They are, of course, entirely loyal to the college and full of good will. It has seemed to me better to influence them to resolve upon inviolate discipline for the future, in the light of their own intelligence and conscience, than to compel this by such disciplinary measures as would inflict hardship upon village parents, create ill-feeling in the college and in the public mind, and perhaps lead, in the college itself, to ill-feeling between communities. This morning I addressed a gathering of all the B.A. and M.A. students, who were very responsive, and I believe that the end has been achieved.

I have deliverately avoided finding out the "ring-leaders". It usually happens that the leaders in ~~mischief~~ wrong things, as in good, are among the best men in the college, and the most responsive to reason, and I think the leadership of these men can best be enlisted for good by this policy.

The penalty imposed is the loss of five days' attendance, in lieu of suspension. It is practically nominal for the reasons given above.

The same policy is being adopted in the Intermediate College.
